Human Learning 7th Edition.

A Dolls House (First edition) [Annotated]

At Kobo, we try to ensure that published reviews do not contain rude or profane language, spoilers, or any of our reviewer's personal information. This requires finding ways to connect the practice of classroom teaching with the operation of power in the larger society and to provide the conditions for students to view themselves as critical agents capable of making those who exercise authority and power answerable for their actions.

Art of Letter Carving in Stone

Disagreement, differences of opinion and heated discussion are welcome, but comments that do not seek to have a mature and constructive dialogue will not be published. In the final part of a series of articles on the local and social legacies of nuclear energy, Andrew Blowers considers the issues raised by the long-term management of radioactive wastes and materials.
