Aber wird es uns gelingen. If the new employer does not apply any collective bargaining agreement, the rights under the transferor's collective bargaining agreement will be "transformed" into individual rights of the employees. Over the past century, breakthroughs such as brand management and the divisionalized organization structure have created more sustained competitive advantage than anything that came out of a lab or focus group. This view first gained currency in the 16th century. Mir frommet kein Verweilen; und nimmer kann ich rastend stehn.
