## **The Coral Reef Era: From Discovery to Decline: A history of scientific investigation from 1600 to the Anthropocene Epoch**

Apart from these, there is a very dense network of regional and local bus lines. Despite the growing public recognition that market fundamentalism has fostered a destructive alignment among the state, corporate capital, and transnational corporations, there is little understanding that such an alignment has been constructed and solidified through a neoliberal disciplinary apparatus and corporate pedagogy produced in part in the halls of higher education and through the educational force of the larger media culture.
